**Candide (Xist Classics) Kindle edition by Voltaire ...**

Candide is such a book. Penned by that Renaissance man of the Enlightenment, Voltaire, Candide is steeped in the political and philosophical controversies of the 1750s. But for the general reader, the novel's driving principle is clear enough: the idea (endemic in Voltaire's day) that we live in the best of all possible worlds, and apparent folly, misery and strife are actually harbingers of a greater good we cannot perceive, is hogwash.

**: Customer reviews: Candide (Xist Classics)**

A novella full of hidden and hiding in plain sight wit, sarcasm and metaphor. Still, if your read is only for the sake of the story you may come away with some disappointment as I did.
