Corvette Fifty Years by Randy Leffingwell (9780760311806)

I purchased this book "Corvette Fifty Years" for a Christmas present. Whether it is purchased for a Corvette driver, collector or for someone who loves automobile history, this is the book to buy. It makes a great "coffee table book" or as an addition to a library of automobile or "Corvette" books. It was a wise purchase.

1995 Corvette. Even with eleven years already behind it, the C4 Corvette still managed to receive the accolades of enthusiasts and critics alike. It received praise for its jaw dropping acceleration and equally for its intense road grip and superior handling. However, with the announcement that an all new, fifth generation Corvette was under development and on track for the 1997 model year, there were few who were surprised by Chevrolet's decision....
