Could have, should have, would have

Could have past participle 1: Could have past participle means that something was possible in the past, or you had the ability to do something in the past, but that you didn't do it. (See also modals of ability.) I could have stayed up late, but I decided to go to bed early. They could have won the race, but they didn't try hard enough.

Could Have, Would Have, and Should Have VOA

Past modals tell what could have, would have, and should have happened. To form these past modals, use could, would, or should followed by have , followed by a past participle verb.

How to Use Should Have, Could Have & Would ... To Fluency

We often use could have with an element of criticism. For example, my friends threw a huge party but only invited me after it started. I tell them: you could have invited me earlier! We also use this with the 3rd conditional. Here are two examples: I could have got into any university in the world if I had applied.
