How to Mention a Referral in Your Cover Letter

Having a referral name to mention in your cover letter helps the hiring manager understand the shared connection you have with them or their employer. It also helps relate your experience to the open position and depending on how you know the referring party, can provide some insight into how well you might fit in at the company.

Cover Letter Referred by a Contact Examples

Your cover letter is the ideal place to mention your referral's name, and the context you know them in. Including a referral, if you have one, is one of the best ways to get your cover letter noticed and read.
