James McNair's Beef Cookbook Paperback amazon

I like this series of James McNair's books. I already owned two and I purchased 5 more from to give as a t to my neighbor. Regretfully this edition on "Beef" came with a broken binding and some pages out of sequence. I could not give the book as a t given it's flawed condition. I kept the book and I will try the recipes, but I was not pleased with condition of the book itself.
