Likeable | Social Media Agency | Digital Marketing Firm

Likeable is a social first digital marketing agency located in the heart of New York City.

Social Media: The Free Beginner's Guide from Moz

It's called social media because users engage with (and around) it in a social context, which can include conversations, commentary, and other user generated annotations and engagement interactions. Publishing content has become exponentially simpler over the last several years, which has helped skyrocket the use of social media.
