**Our America: A Hispanic History of the United States by ...**

In Our America, Fernandez Armesto unveils a side of American history that deserves to come into the light: the role of Latinos throughout every state of U.S. history and many of the developments before.

**Our America: A Hispanic History of the United States by ...**

In Our America, Felipe Fernández Armesto...recasts the pilgrimage of Hispanics in the United States as a rich and moving chronicle for our very present. His book navigates five centuries of painful documents, atrocious statements and dubious literature to argue that the United States was, from its beginning, as much a Spanish colonial southern enterprise as an unending march westward...The narrative moves easily from panoramic views and exemplary cases to interpretation and reflection.

**Book Review: Our America: A Hispanic History of the United ...**

Chris Gilson, USAPP editor , talks to Felipe Fernandez Armesto about his new book, Our America: A Hispanic history of the United States, which argues that after two centuries of relative Anglo Saxon dominance, the U.S. is beginning a return towards being a more typical Hispanic American country. He says by acknowledging its Hispanic parts and history, Americans will be better able to adjust to having a more equal relationship with their Latin American neighbors.

**Our America : a Hispanic history of the United States ...**

Maps the influence of America's Hispanic past, from the explorers and conquistadors who helped colonize Puerto Rico and Florida, to the missionaries and rancheros who settled in California and the 20th century

resurgence in major cities like Chicago and Miami.

**Our America: A Hispanic History of the United States, by ...**

Our America narrates the history of the United States from a perspective I have often tried to use myself: from the South, rather than the East.

**Project MUSE Our America: A Hispanic History of the ...**

No reason exists for the majority white population to be alarmed if people from Latin America continue reinforcing Hispanic communities, Fernández Armesto writes reassuringly, for as documented, the history of the United States already owes much to its Hispanic past. A pluralistic future does not necessarily threaten the country.

**Nonfiction Book Review: Our America: A Hispanic History of ...**

Taking on the conventional Anglo centrism of American history, this superb survey offers a different way of looking at the nation's past. A leading scholar of the Americas at the University of ...

**Our America: A Hispanic History of the United States ...**

An eminent scholar finds a new American history in the Hispanic past of our diverse nation. The United States is still typically conceived of as an offshoot of England, with our history unfolding east to west beginning with the first English settlers in Jamestown.
