## **Private Heller and the Bantam Boys: .de: Gregory ...**

I highly recommend reading Private Heller and the Bantam Boys by Dr. Gregory Archer. Dr. Archer perfectly blends the narrative, historical references and a first person diary which was written by his maternal grandfather in World War I. This is an eye opening story of the sacrificial duties of the WWI medic providing both an informative and emotional account of this time. It is an excellent read, one which is hard to put down.
