Self Carriage from a Dressage, Naturally Perspective

Self carriage is one of those qualities that, no matter what discipline you are doing, makes you say: "Wow, this horse feels great!" It is usually defined as something like: "When the horse is balanced and maintaining himself without needing support from the rider's hands".

Equestrian Movement Is your riding hurting your horses ...

A horse in self carriage is a remarkable feeling. But it takes more than good training for your horse to achieve self carriage...

The Rider's Role in Self Carriage Dressage Today

To attain the goal of self carriage, allow the horse to carry himself by riding with completely passive aids. Learn to use the aids and then release them for two to three strides. With practice, passive aids will develop not only a better trained horse, but also a more elegant and harmonious rider.
